

First Congregational Learning Center

Director's Notes:

I am excited to be working with the children and getting the artwork ready for the annual art show on February 11th. I hope all can come and see what the children have accomplished this year. I have added some information on to our webpage, fcl.org. Ms. Mary our computer teacher has shared information regarding what the children are learning and some fun sites to try out. It can be found in the enrichment section of the website. Just a friendly reminder that tuition is due on the first day the child attends. Tuition will be entered differently starting this year. Using this new system FCLC will be able to provide you with a tax receipt at the end of the year. As always, feel free to call, email or make an appointment to talk in person. (kchoate@uccdg.org/630-206-4910) *Ms. Kimberly*

Infant News (Room 204)

It's time for an update on what's going on in the infant room. As February arrives, we would like to wish a warm welcome to all our new families. We are looking forward to getting to know you and your beautiful babies. Valentine's Day is approaching and it's time for showing our friends and family how much we care. We have fun art projects and valentine songs and activities to do.

The weather has been so crazy and I'm sure we haven't seen the last of the extreme cold and weirdly warm days. Please always have hats, sweaters, coats and whatever else you feel is appropriate for any weather we may encounter on a walk. Thanks for your cooperation and support. We are always available if you ever have any questions or concerns.

Toddler News (Room 202)

This month we will be talking about winter animals, Valentine's, Friendship, Super Heroes and Transportation. We are excited to have a new friend join the room this month. As a reminder please check your child's clothing bag to make sure there is enough clothing. Due to messy projects or trying to go outside.

Preschool News (Room 203)

Our class has so much to celebrate this month! We welcomed two new students, from the Toddler room! We are looking forward to discussing and celebrating Black History Month, Dental Health Month, Valentine's Day and so much more! To start off February we would like everyone in our class to wear Red on Friday, February 3rd in honor of Healthy Hearts for Women. That following week, February 6th-10th, we will be celebrating some of our favorite Children's Authors and Illustrators. We are asking all the children to bring in their favorite children's book to compare and discuss as a class. This same week, the children will have the opportunity to be their own authors and illustrators as we put together our very first classroom book! Look for more information soon regarding our Valentine's Day celebration and the 100th Day of School!

Remember to check your child's backpack, mailbox, and cubby for important information, As always, it's our pleasure to encourage and empower your children. Our door is always open if you have any questions or concerns.

Preschool News (Room 205)

The month of February finds us with a new President. We will learn about some famous past presidents and talk about "what I would do if I was the President."

Then we will move on to celebrate friendship and Valentine's Day. A note will be sent home about the party. Ms. Peggy will be here to teach us some fun holiday songs again and will also teach the children about proper dental hygiene at the end of the month. There will be some "healthy snacks" homework sent home along with our lesson, so look for that.
