Join your child for lunch on  
Tuesday, November 13th  
11:00am-12:30pm  
in Fellowship Hall

Please RSVP with number attending by  
Tuesday, November 6th

## *Infant News (Room 204)*

November is here, its a time to celebrate friends and family. This month we will be focusing on friendship, sharing and taking turns. The children will continue to enjoy the outdoors when we can. Please make sure they have coats and hats. We are very excited for the Thanksgiving Feast on November 13th.

## *Toddler News (Room 202):*

As we move into the month of November, we will focus on sharing and being thankful. We will continue to help our friends as they learn to share toys and to clean up after mealtimes.

Another area of focus for November will be animals. We will be learning animal sounds by singing songs and looking at pictures of the animals. We will also discuss the animals we see in the world around us.

We will learn to follow simple directions as we bake a pumpkin pie and a cranberry smoothie. These are ways we plan to incorporate the fruit and vegetable of the month with the children. The children will continue to develop sign language as well as their pincer grasp by holding crayons.

## *Young Preschool News (Room 203):*

The month of November is all about giving thanks and being glad for what we have. Room 203 will be learning about what it means to be thankful and giving. We will also be working on more letter and number recognition and beginning to learn how to write them.

## *Preschool News (Room 205):*

In the month of November, we'll prepare for our family gatherings with a review of good manners. We'll use our sensory table to wash toys, review proper hand washing and make Thank You cards for our favorite FCLC cook. The class will take a kindness pledge and do some "polite painting" with a friend. We will continue our study of the alphabet and practice the letters in our journals. The month will finish with a look at the first Thanksgiving and how it compares to our gatherings today.
