

# First Congregational Learning Center Newsletter

## Director's Notes:

I would like to thank everyone who attended the Pancake Breakfast. I heard it was a great success! This month we will be having Fall Fest. This event is for all FCLC families and Church members. We all had a great time last year! The afternoon will start out with our third annual "Trunk or Treat" then food fun and games in Fellowship Hall. Information will be in your child's mailbox soon. The children and teachers are excited about Halloween coming up. There will be parties on Tuesday, October 31st. Please see your child's teacher for details. As always I am available to all of you. Feel free to call, email or make an appointment to talk in person. (kchoate@uccdg.org/630-206-4910)

*Ms. Kimberly*

## Infant News (Room 204)

It's hard to believe that fall has arrived. We are very excited about getting ready for Halloween. The new babies are getting settled into the room and fitting in perfectly. The older babies are happy to guide them and show them how everything works.

Please remember to bring in warmer clothes for the changes in the weather. If possible, please bring in a hat and sweater or light coat, shoes and socks. Remember to label everything.

Also please send in a family photo for the children to enjoy and look at on our bulletin board.

If you have any questions or concerns, we are always available.

## Toddler News (Room 202)

This month as we welcome the fall season, we are getting to know the new toddlers in our classroom and getting reacquainted with the ones who have returned from the summer. We are working on our verbal and cognitive skills as we focus on nurturing relationships and trust with our teachers and other children. We are learning and growing to identify our feelings, as well as listen and respond to our teachers' suggestions. While exploring in our sensory table, playing with other children, and creating our self portraits, we've been given many opportunities to have a conversation about interacting with our peers and developing positive relationships.

## Preschool News (Room 203)

We are finishing up our "All About Me" unit and will turn our focus to "Friends and Family". We will be teaching each other about our families and work on great team building activities. We will also be exploring all things fall, discussing the ins and outs of trees, apples and pumpkins. Every morning we are saying a new affirmation to help ourselves feel happy and good. We say "I am Myself. I am Special and Unique". You can try this at home too! Last but not least, our Halloween Celebration will take place at the end of the month! Details coming soon!

Happy October!

## Preschool News (Room 205)

The month of October finds us exploring the season of Fall through a study of shapes and colors. We'll be looking for colors and shapes in our room, in our games and also on nature walks in our town. Our Clifford Reader will teach us about giant orange pumpkins and we'll have some hands-on experiences too. We'll once again be welcoming back FCLC's enrichment instructors; Ms. Mary with our computer and I-Pad instruction, Ms. Peggy with Music and Mr. Lyle with stories and science experiments. Each week shall also focus on a letter of the alphabet. We're looking forward to the Halloween party at the end of the month.
